VINTAGE LUMINAIRE

An Admiral Staging fixture with a vintage look because retro chic is absolutely en vogue!

Use these decorative fixtures for you TV shows, theatre productions or for live bands to add visual impact to an area and create the right ambiance.

KEY FEATURES

TRUE IP65 In / Out

The Vintage fixture has a IP65 connection for professional use and is equipped with a Seetronic TRUE Power PRO connector.

Interlinkable

Create an impressive setup by interlinking several Vintage luminaires using the two sturdy brackets.

Adjustable brackets

The brackets allow you to use the Vintage in multiple ways. You can hang it on a Drop arm, mount it on a tripod with one bracket, or place it on the floor with both brackets.
