FREEDOM DROP ARM

You might have seen them before, but never this clever! With our Drop Arms, you can easily suspend your lighting equipment from a truss or fixed tube. The Drop Arms are extendable to any length and they can also be combined with hanging tubes. Just imagine all the lighting effects you can create!

KEY FEATURES FREEDOM SYSTEM

Versatile modular system

The modular nature of the system allows you to use its basic components to set up a new construction for every occasion.

Unique setup

The different hanging options and numerous length and width combinations allow you to create your one of a kind light show construction.

Extendable

All the Freedom System setups can be further extended either vertically or horizontally.
